## **PRESIDENTS MESSAGE**

**Hello Everyone,**

**I'm writing this on a cold January day! Brrr. Wishing for some milder temps. The weatherman says they are on there way! Hopefully winter will be soon gone.The board had their meeting yesterday and we had a great meeting with some great ideas for the coming year. We have some**

**excellent officers. Michael brought the newest daylily book we ordered last month from AHS. Thank you Michael for picking them up for us and saving us the shipping cost. I will be checking it out later on this cold winter day. The rest of you who ordered will be able to get theirs at the next meeting. Just remember to bring your money for it and pay Andrea. The cost is 20.00. We will be meeting on January 19th at the church at our regular time of 7 PM.**

**Things to do this month. Send in your registration and come join us at the Mid Winter Symposium! You can find all the info on the AHS website. It is February 10-12. We always have a good time. It's a great break from the winter doldrums. We get to see the newest in daylilies and many great speakers to learn from. Once you register let me know at the meeting because we will have some form of transportation and maybe can caravan.**

**A change to our calendar for the month of June. We will have our June meeting on the 29th due a conflict with National and Regional tours this year. So mark your calendars for June the 29th. We also have a trip proposed for June the 3rd. mark your calendars for this. You don't want to miss this. It will be a day trip to several nurseries in the Cincy area! We will have more details to follow but be sure to block your calendars for this day! Exciting stuff this year. Can't wait for spring!**

**As for meetings this year the board has planned a change in our May meeting. As of now we will meet in May on our regular day of the month but will meet only to distribute our HRP plants**

## **VICE PRESIDENT: BECKY SCARBORO**

**Several interesting and informative programs are in the works for the new year at LADS.**

**At the January meeting, we will enjoy a game of daylily trivia. This should be a fun evening and we hope the weather is cooperative.**

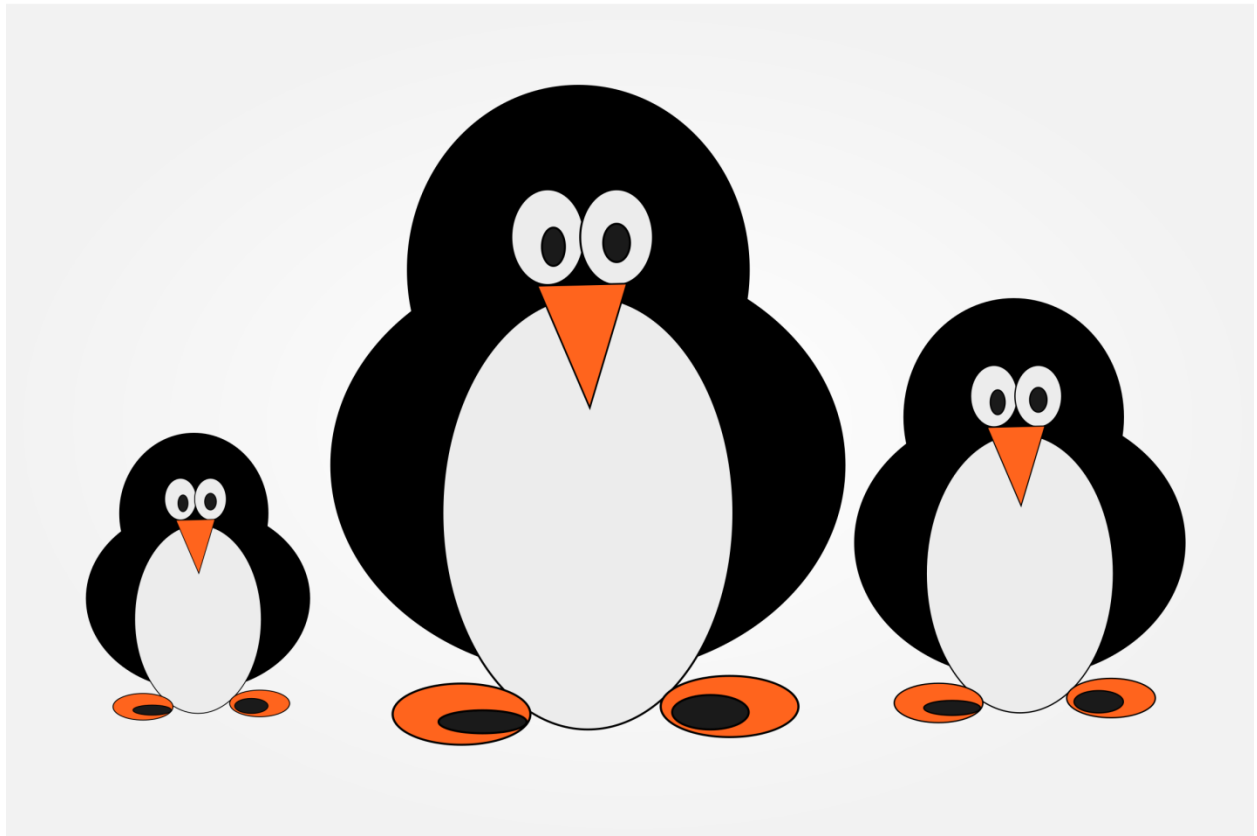

**Ray Clark has agreed to give us a presentation on the production and preservation of vital seeds and the role of the seed bank at the February meeting.**

**In March, Chris Massengill will join us to discuss his hybridizing efforts and delight us with photos of his daylilies.**

**Elizabeth Trotter, Kentucky resident and national committee member of AHS, will attend our April meeting and bring us the latest news regarding daylily registration, technology utilization and other information from the national organization.**

**We are looking forward to a fun and busy, but more stress-free year in 2017. We hope to provide plenty of rewarding experiences for all members, old-timers and newbies alike. You won't want to miss a meeting.**

**Becky Scarboro**  
**Vice President**

**Come on Spring**

## **Louisville Area Daylily Society's Minutes**

**October 20, 2016**

**The regular meeting of the Louisville Area Daylily Society was held October 20, 2016 at Trinity Presbyterian Church, Middletown, Kentucky. Members gathered at 7 pm and food was served prior to the business meeting and speaker's presentation.**

**President Carrithers called the meeting to order at 7:15 pm. Kathy Brown of Oldham County Master Gardeners, a guest of Andrea King, was introduced.**

**There being no alterations needed, the minutes of the September meeting were approved as they appeared in the October newsletter.**

**The October Treasurer's Report was presented to the members. Karen Sidebottom moved to accept the Treasurer's Report as presented. The motion was seconded by Michael Stephens and approved by the members.**

**President Carrithers reminded the members that there will be no meeting in November and the holiday potluck will be held December 8, 2016 at Trinity Presbyterian Church at 6:30 pm. The club will provide ham and members are asked to sign up with Betty Wilborn for side dishes.**

**President Carrithers reported that she had spoken to Yew Dell about LADS participating in their 2017 spring plant sale. Date is yet to be announced, but hours will be Saturday 9 am to 3 pm and Sunday noon to 3 pm.**

**Booth rental is \$150.00. It is proposed that the club take part in the Yew Dell sale in lieu of the Locust Grove three-day sale. More discussion to follow in January.**

**President Carrithers announced that suggestions are being sought regarding the 2017 Hybridizer Reward Program. Sally Fensterer has agreed to take the lead on that program and members are welcome to contact Sally with names of hybridizers any would particularly like to have approached for next year's program.**

**There being no other business brought forward, the meeting was adjourned at 7:40 pm.**

**President Carrithers introduced the evening's speaker, Abi Rennekamp of Oldham County Master Gardeners, who presented a delightful slide show and discussion of winter and all-season container gardening.**

**Respectfully submitted,  
Andrea King for  
Linda Luck**

**Louisville Area Daylily Society's Minutes**

**December 08, 2016**

**The Holiday meeting of the Louisville Area Daylily Society was held December 08, 2016 at Trinity**

**Presbyterian Church, Middletown, Kentucky. Members gathered at 6:30 pm to enjoy an excellent holiday buffet and social time prior to the business meeting. Sliced ham was provided by the club and members contributed a wide variety of delicious side dishes and desserts.**

**President Carrithers called the meeting to order at 7:45 pm. She welcomed all of the members to the meeting and went on to announce that Chris Schardein's father had passed away the day before. Sincere condolences go out to her and her family.**

**The minutes from the October meeting had not been distributed yet so could not be approved. They will be included in the December Newsletter.**

**The November Treasurer's Report was presented to the members. There were no questions, so David Kirchhoff moved to accept the Treasurer's Report as presented. The motion was seconded by Susan Holt approved by the members.**

**President Carrithers announced that a new AHS publication will be available shortly. This one is called Open Form Daylilies – Spiders, Unusual Forms and Other "Exotics". They will be available through the clubs for \$20 each. A sign-up sheet was circulated for members to request a copy. She also indicated that we have a couple of copies of earlier publications still available. Please contact Ellen Carrithers if you are interested in purchasing one.**

**President Carrithers noted that the Region 10 Mid-Winter Symposium will be held in Nashville, TN on February 10 – 12, 2017. David Kirchhoff is the Chair of**

**the event and indicated there will be a number of excellent speakers, including several hybridizers. He said there will be social time Friday afternoon before the formal activities begin and there will be a daylily auction that evening. This will be a great “daylily fix” to help us get through a cold winter!**

**President Carrithers also announced that Indianapolis will be hosting the Region 2 Mid-Winter meeting. It will be held February 24 – 26, 2017.**

**President Carrithers then introduced Vice President Andrea King to speak on behalf of the Nominating Committee. She indicated that we’ve had some difficulty finding members who were willing to serve as officers. She presented the following nominations: Ellen Carrithers has agreed to continue as President for another year, Becky Scarboro has agreed to accept the role of Vice President, Linda Luck has agreed to retain the role of Secretary and Andrea King will accept the role of Treasurer. Susan Holt has also agreed to continue to be responsible for publishing the Newsletter on-line. We will have to suspend the Bi-Laws regarding the limit of a two year term for these nominations to be acceptable. John Morgan moved that the Bi-Laws regarding the two year term limit be suspended and his motion was seconded by Sally Fensterer. It was approved by the membership by acclamation.**

**There were no additional nominations from the floor. The election was by a show of hands and the officers presented were elected unanimously. Officers were then installed by Doris Stonska.**

**President Carrithers announced that we will hold our January meeting on January 19, 2017. Historically, we have held our meetings as long as the Jefferson County Schools were not cancelled for weather-related concerns. According to Andrea King however, she has contacted two possible speakers for the January and February meetings, both from out of state. If they can get here, we want to plan to hold the meetings regardless of what the school system has decided for the day. Andrea also has a back-up possibility for the speaker if neither of the out of state speakers can make the trip.**

**President Carrithers announced that we will hold our meetings at Trinity Presbyterian Church January through April, and plan to meet in members' gardens May through August, returning to the church after that.**

**President Carrithers reminded us that Sally Fensterer has agreed to coordinate the Hybridizers Reward Program this year. Please send Sally an email if you have any hybridizers you would particularly like her to contact.**

**There being no other business brought forward, the meeting was adjourned at 8:30 pm. The meeting was followed by the raffle of several lovely poinsettias.**
