THE PRESIDENT'S MESSAGE

Hello everyone,

We decided at our September meeting to have a fall cleanup of the LADS bed at Doris Stonska's on Saturday Oct 14th starting at 8:30 am. For those that were not present to sign up, all help would be appreciated. I believe we will try putting down cardboard and mulching over that. I will try to get cardboard for this purpose. If anyone else has a source, that would also help. Michael is going to check if it is possible to have some mulch delivered. This is not for sure, so if you have a truck and could bring a load of mulch please coordinate with Michael to see if that is what is needed. We should know the exact situation before next weekend.

Our October meeting will be October 19th at 7pm at the church. Rich Rosen will give a slideshow on photos taken at the National in Norfolk, VA.

If you have any questions, contact Michael or myself about the cleanup. Hope to see as many people as possible. Bring your gloves and weeding tools.

Thanks,

Becky

Minutes

The September meeting of the Louisville Area Daylily Society was held September 16, 2017, at Trinity Presbyterian Church, Middletown, Kentucky. We had an unusual meeting day, meeting on a Saturday, due to the schedule of our speaker, Lucas Holman. We gathered at noon and began the afternoon with LADS providing fried chicken and a very tasty array of side dishes and desserts provided by our members. A special treat was a cake baked and decorated by Becky Scarborough. She regularly provides decorated desserts, but in this case not only was the cake excellent, she decorated it to look like gardens complete with trees and flowers. Thank you, Becky!

President Carrithers called the meeting to order at approximately 12:50 pm. She welcomed all of the members to the meeting as well as two guests whom we had met at the Wallitsch plant sale.

President Carrithers noted that the Minutes from August were included in the Newsletter and no one had any corrections or changes. Andrea King, Treasurer, indicated there were no changes in the Treasurer's Report from the one presented in August.

Ellen indicated that our October speaker will be LADS member Rich Rosen. The meeting will be October 19th, again at Trinity Presbyterian Church.

It was decided that our fall workday at the LADS garden at Doris Stonska's home will be Saturday October 14th starting at 8:30 a.m. We have daylilies to plant as well as weeding and mulching to do that morning, so we look forward to a good turnout!

President Carrithers introduced our speaker for the day, Lucas Holman. Lucas joined us from the Nashville, Tennessee area where he teaches high school agriculture. He also has Holman Nursery and sells plants at farmers markets on the weekends. We were entertained and educated as Lucas shared photos of a wide variety of garden plants. He was well aware of the Club's familiarity with daylilies, so tried to expand our knowledge of other plants, shrubs and trees. It kept our full attention and was a very interesting program! Thank you, Lucas!

Following a very abbreviated raffle, the meeting adjourned at approximately 2:10 p.m.

Respectfully submitted,

Linda Luck, Secretary

HOSPITALITY:
