President's Message

Hello Everyone,

I can't believe how fast time goes these days. I know this is a sign of age! I remember dreading the winter and it came and left. We had warm weather early this year then cold. A crazy year so far. Today it's cool again.

We are expecting rain today and I don't ever complain about rain. May is here! The daylilies will be here so soon!

I hope everyone is well and able to tend their gardens,

As I think everyone knows the plant sale was a success. We profited 1320.00. Thank you everyone. Our meeting this month will be at the home of Linda and Ray's. We will be distributing the HRP plants. Last month I heard

from several people that were not going to be in attendance and will have made arrangements for their plant to be picked up. Due to the length of this meeting we decided to start at 6:30 on May the 18th. Food will be provided by A-L this month. Please be aware of the rules of this reward program. All the rules are posted on our website.

We have the bus secured for our June outing. If you haven't signed up we would love to have you but get your spot saved. If you wish to bring a friend it is only 20.00 for them.

Ellen

If any member wants to send in their first bloom with date and name and picture can be added if you wish. We can exclude Stella, poor Stella always gets picked on. I thought it would be interesting. Our President, Ellen had her first bloom on May 8th. Details will follow next month.
