## **May 17th 2018 MEETING**

**Our May 17<sup>th</sup> meeting will be held at Ray Clark and Linda Luck's home, 4401 Starlite Lane in Louisville. We will provide hotdogs and hamburgers on the grill, so members can bring side dishes to complete the cookout. As a reminder, we will be distributing our HRP daylilies this month. Everyone is welcome to arrive at 6:00 to wander the yard before we eat. Don't forget your chairs, although we will have several available. We're looking forward to seeing everyone!**

## **THE PRESIDENT'S MESSAGE**

**May 2, 2018**

**First of all, I want to thank each of our members who participated in the preparation and sale of daylilies at Yew Dell last weekend. As you saw from the email Andrea distributed, we made less money than last year, but we're pleased with our results. It takes a lot of time and effort on the part of everyone involved, and we couldn't do it without each of you! Working in cooperation with each other means lots of good suggestions and**

**ideas are shared, and most importantly, we have fun doing it! We did have some fans left at the end of the sale, so divided them between members who were still there. We are potting them and will bring them back for the August 4<sup>th</sup> sale at Wallitsch Garden Center.**

**I want to give a special thank you to Becky for arranging our April meeting's speaker. The lily information he shared was very interesting and it was great to have the opportunity to purchase bulbs of such a nice variety of lilies.**

**For all of us daylily fanatics, the anticipation is building right now, waiting for our first bloom to open and then the pop, pop, pop as each succeeding one follows. I was mulching on Sunday evening and found the first scape of the season! Oddly, it was not on one of our typically early bloomers, but the hard winter probably affected them in strange ways, just like it did us. Seeing it, I dashed over to my two daylilies with typically the first blooms and neither had a scape in sight. The excitement is building!**

**Excellent weather this week means many hours in the garden and sore muscles. Finally, it seems like**

**they are improving, with cleaning, weeding and mulch. I know we've all been anxious to get out there and get our hands in the dirt, and it's just in time for Derby guests coming to Louisville. What a beautiful time of year for our city!**

## **LADS Minutes for April 19, 2018**

**Following a delicious meal at 6:30 President Linda Luck called the meeting to order at 7:14 PM. The minutes as published in the March Newsletter were reviewed, Rich Rosen made a motion to accept them as written and Doris Stonska seconded the motion. The treasurer's report was sent earlier in the week via e-mail from Andrea King. Becky Scarboro made a motion to accept the report and Kathy Brown seconded it.**

**Cleo Philon reported on the Hybridizer Reward Program (HRP). Because of the snow in the north there was some concern about whether plants would be ready for our May meeting but Cleo had contacted our chosen hybridizers and all seems in order at this time. In order to participate in the HRP members must have paid their 2018 dues NO LATER THAN April 1st. Also, if for some reason a member is unable to be present for the May meeting and would like a plant, that person MUST personally contact (no e-mails) the HRP chair, who is Cleo at 502-348-3880, or another member of the board to arrange for someone else to pick up that person's plant. Additional rules for participation are posted on the LADS website. Plants will be distributed at Ray Clark and Linda Luck's home at our May 17th meeting. Dinner will be at 6:00 that evening with**

**Linda and Ray preparing hot dogs and hamburgers and LADS members bringing the sides.**

**Members were again reminded of the Wallitsch sale on August 4th, as well as the Region 10 Summer Meeting in Chattanooga, TN on June 1-2 and the National AHS Convention in Myrtle Beach, SC on June 6-9. Locally, the Daylily Society of Louisville will have their annual Show and Sale on June 23rd at the Mid-City Mall. July 14th will be the day to work in the LADS garden and sell daylilies to the public that morning.**

**Special reminder: Digging for Yew Dell will begin at 9:00 on Wednesday, April 25th at Doris Stonska's. Set up for Yew Dell is Friday afternoon with sale for members that evening. Sale for the public is Saturday from 9:00 to 3:00. Sign up sheet was passed for volunteers to help with these LADS activities.**

**Linda Luck shared a flyer she had made for the Yew Dell Sale and for our other events to advertise our members' Open Gardens on June 30th, our July 14th Garden Sale and Wallitsch's Sale as well as list the other members who have volunteered to have their gardens open on June 30th.**

**Larry Diehl from the Ohio Lily Society was our guest speaker. He is a lily judge and was able to provide us with abundant information about selecting, growing and showing lilies. We had the opportunity to view examples of the various catagories of lilies: Asiatics, Martagons, Orientals, Trumpet and Aurelians, as well as the Orienpets and Longipets hybrids. Larry provided us with some wonderful handouts listing resources for lilies and details about lily culture. One was on growing lilies in containers. He also brought a good number of bulbs to sell and from the looks of the table, not many were left at the end of the evening.**

**It was a joy to have both Betty and Skip Wilborn with us again after their illnesses!**

**The meeting adjourned but I didn't get the exact time. (Sorry)**

**Respectfully submitted by Marie Seaman**
