January 2019 Meeting

Thurs. January 17th at our usual location, Trinity Presbyterian. The officers will be presenting some ideas

and plans for 2019 and we can enjoy some time for open discussion. Meeting will start at 6:30 P.M.

PRESIDENT'S MESSAGE DECEMBER 27TH, 2018

I hope everyone has been enjoying the holiday season and had a good Christmas celebration. This time of year is joyous for many, but also brings to mind the loved ones who are no longer with us or are unable to participate in festivities. May your memories of past celebrations as well as those of the present warm your hearts!

As we head into the last weekend of the year, I am reminded that once again another year has flown past. I remember my mother saying that time sped up as we get older, and she sure was right! I guess it turns out that "time flies when you're having fun" or even when you're not! I will say it was a great year in the gardens for us

and I hope for each of you as well. Our daylilies bloomed their hearts out and we enjoyed a large number of reblooms that didn't end until the first freeze. Those beautiful blooms are what we all work hard to achieve and what we dream about this time of year.

It was good to see a number of our members at our Holiday meeting in early December, but we missed those of you who were unable to attend. The feast was excellent and we enjoyed the time to simply socialize with one another.

As was indicated last month, the current Officers all agreed to serve for another year, and we were sworn in for the new term at the December 6th meeting. We look forward to another good year of serving you! Please remember that Vice President Becky Scarboro would really appreciate your ideas for programs/speakers for the year. She did a brilliant job with it last year but could sure use some of your creative thoughts.

I want to remind you about the Region 10 Mid-Winter Symposium taking place February 8 – 10 in Bowling Green, KY. The Agenda for the weekend is filled with interesting speakers and we sure would like as many as possible to make the trip to this convenient location. You won't be disappointed when you receive a much-needed winter boost from the photographs of new daylilies currently being developed by some of our active hybridizers. If you are interested in attending and would

like to travel with others of us who are going, please let me know!

I look forward to seeing as many of you as possible at our next regularly scheduled meeting on Thursday, January 17th at our usual location, Trinity Presbyterian Church. We will not have a speaker scheduled for that meeting, as January is typically our most questionable weather month. Instead, the Officers will be presenting some ideas and plans for 2019 and we can enjoy time for some open discussion. In the meantime, enjoy the rest of your Holiday time and do your best to stay warm and cozy. Those seed and plant catalogues have no doubt already started to arrive (mine have) so have fun planning and dreaming about your Spring and Summer gardens!

Happy New Year!

Linda Luck

**SO PRETTY A CLEANED UP GARDEN
READY FOR THE COLD WINTER. A BIG
THANKS TO LADS MEMBERS**

Minutes from LADS December 6th meeting

President Linda Luck welcomed the LADS membership to our December gathering at 6:30 PM at Trinity Presbyterian Church. A motion to approve the minutes from the October meeting was made by John Morgan and seconded by Claudia Wolff. The Treasurer's report was e-mailed to the membership ahead of the meeting. Donna Willett moved that the report be accepted as published and Kathy Brown seconded the motion.

The first order of business for the evening was the swearing in of the LADS officers for 2019. This process was presided over by Doris Stonska. Officers for 2019 are: President, Linda Luck; Vice-President, Becky Scarboro; Treasurer, Andrea King and Secretary, Marie Seaman. Susan Holt will continue to publish our LADS newsletter and Michael Stephens will keep our LADS website and social media up to date. Doris thanked the Board for their willingness to serve the club for another year and the group affirmed the officers with applause.

Andrea King reported on the Botanica Education Building Column Contributions. Each column costs \$10,000. LADS contributed \$300 and another \$800 was donated by individual LADS members. John Morgan has generously committed to pay the difference to purchase a column for LADS. LADS will also have a daylily display area and John will keep us abreast of progress in this area. He reported that it will be in a prominent area with good lighting. In the spring we will be asked to contribute daylilies to this endeavor.

Linda and the membership complimented Becky on the great programs she arranged for 2018. Becky suggested that since January weather is sometimes iffy we might want to start our outside speakers in February. The group agreed. If anyone has suggestions for programs for 2019, please get them to Becky. Her e-mail is rdaylily@bellsouth.net and her phone is 502-727-8458. She will be waiting to hear from us!

The Mid-Winter Symposium is coming up in early February. The hotel that was selected is the Holiday Inn

University Plaza in Bowling Green, Kentucky from Friday, February 8, 2019 to Sunday, February 10, 2019. Mid-Winter is nearby this year so, hopefully, more of our members will be able to attend. Those who have participated in the past say it is an excellent program and wonderful opportunity to learn and to be with daylily friends. Complete information is on our website at lads.plantfans.com.

Andrea also reminded the membership of the Midwest Peony Society bus trip in the spring to Great Seal peony farm in Ohio plus a visit to a hosta garden. Membership in MPS is only \$10.00. The club will provide transportation for this outing and members need only worry about \$\$\$ for food and shopping. Further details will be available after the holidays but Andrea strongly encouraged anyone who is interested in peonies to join MPS. She has membership forms.

It was announced that one of our early LADS members, Shirley Wilkinson, has passed away. Several people shared their memories of Shirley who at one time was very active in the group.

Linda adjourned the meeting at 6:55. The motion was made by Claudia Wolff and seconded by Donna Willett. Everyone was anxious to get a taste of the wonderful holiday buffet that was waiting for us! The evening provided a great time to socialize and just enjoy the feast and one another's good company.

Best wishes for a healthy and happy New Year to all LADS members as we take a break from weeding and

**caring for our gardens and get rested and ready for
spring!**

**Respectfully submitted
