**Vice President: Becky Scarboro:**

**May Meeting**

**Our May Meeting will be on May 16 th at Linda Luck and Ray Clark's house. It will start at 6:30, but you are welcome to arrive early if you want to look around the yard/garden first. We will provide hotdogs and hamburgers, so plan to bring sides or dessert. This will be our HRP distribution night, so you will be leaving with plants!! Our hybridizers this year are Sandy and Mike Holmes and Dan Bachman. This is a very exciting meeting so I hope to see all of you here!**

**The address is 4401 Starlite Lane, Louisville Ky. 40291**

**President's Message**

**April 30, 2019**

**All of a sudden it feels like Summer! Not only is it almost hot, but more and more flowers are in bloom this week – iris and peonies are popping! I hope the heat doesn't move them through their blooming too quickly; I know we all want to enjoy them as long as possible. It does make for some great weather to be outside working on our own gardens. I know (from personal experience) that daylilies we ordered over the winter are starting to arrive!!**

**Many thanks to each of you who helped with the Yew Dell sale last weekend! We had a good crew digging daylilies on Wednesday and made pretty quick work of it. Our sales location on Friday and Saturday was the same as last year, but much more active. As you saw from the email Andrea sent, we did well at the sale and enjoyed some chilly but otherwise good weather. We hope to be part of it again next year!**

**We have another dig day on Wednesday May 8th starting at 9:00 a.m. We are digging for the Beechmont Neighborhood Association Flower Festival scheduled for Saturday May 11th. We will set up there Friday starting at 5:00 p.m. and the sale starts at 8:00 a.m. on Saturday. If you have any daylilies you would like to contribute to the sale, please bring them with you (5 or 6 double fans) to the LADS garden at Doris Stonska's home on Wednesday. If you have any questions or need additional information, please call or text me at 502-472-0278. Thank you again for your participation!**

**We are looking forward to enjoying a couple of garden-related trips in the next few weeks. The first is the Mid-Western Peony Society trip to Chillicothe, OH to visit Great Seal Peony Farm and Corey's Hosta Gardens on Saturday May 25th. Andrea sent out an email asking everyone who has signed up to participate to please notify her as soon as possible. She will make sure we are all on the list and have a spot on the bus.**

**As you know, we have secured a bus to take us to several nurseries (and a great lunch) in the Cincinnati area on Saturday June 1st. Many of us enjoyed a similar trip in 2017. A sign-up sheet was circulated at our last meeting and we have 14 people signed up so far. Please contact Andrea or me AS SOON AS POSSIBLE if you did not sign up and plan to go. We really hope we have close to a full bus and you are welcome to bring friends!!!**

**Please remember to send the name of your Waterfront Botanical Gardens daylily contribution to Marie Seaman if you have not yet done so. She is tabulating them so we can make sure we have a good variety of colors, sizes and bloom times. Thank you for being part of this valuable and special opportunity!**

**Our May Meeting will be on May 16th at Linda Luck and Ray Clark's house. It will start at 6:30, but you are welcome to arrive early if you want to look around the yard/garden first. We will provide hotdogs and hamburgers, so plan to bring sides or dessert. This will be our HRP distribution night, so you will be leaving**

**Linda Luck**

**SECRETARY: Marie Seaman**

**Louisville Area Daylily Society**

**April 18, 2019**

**The regular meeting of the Louisville Area Daylily Society was held April 18, 2019 at Trinity Presbyterian Church, Middletown, Kentucky. Members gathered at 6:30 p.m. and food was served prior to the business meeting and speaker's presentation.**

**President Linda Luck called the meeting to order at 6:58 p.m. She welcomed all who were in attendance.**

**She asked if there were any changes suggested to the Treasurer's Report distributed by email earlier in the week. There being no changes indicated, a motion was called for to accept the Treasurer's Report as**

**recorded. The motion was made by John Morgan and seconded by Sally Fensterer. The Treasurer's Report was accepted.**

**She then called for any possible modifications to the minutes recorded in the current newsletter. Due to the absence of Secretary Marie Seaman and at least one correction to be made, acceptance of the minutes for the meeting of March 21, 2019 was tabled until the next meeting on May 16, 2019.**

**President Luck then went through a list of upcoming events:**

**April 26,27 Yew Dell Plant Sale (dig April 24)**

**May 11 Beechmont Flower Festival Sale (dig May 8)**

**May 25 Peony Society trip to Chillicothe, Ohio**

**June1 LADS bus trip to Cincinnati nurseries**

**June 8 Bardstown Bloomfest**

**June 28-30 Region 10 Regional Convention – Kingsport, TN**

**June 28-30 Northern Mecca – Dayton, Ohio area**

**July 6 LADS garden daylily plant sale**

**July 10-13 AHS National Convention – Madison, WI**

**August 3 Wallitsch Plant Sale (dig July 31)**

**She passed out a sign-up sheet for the Cincinnati bus trip so we could get a head count and make the appropriate bus arrangements.**

**The Waterfront Botanical Gardens daylily donation list is being maintained by Marie Seaman. Linda asked members to email Marie with the name of the daylily(s) which you would like to donate to this daylily display bed. A minimum of 4 fans are being requested for each variety.**

**President Luck then welcomed Jamie Burghardt, Director of Horticulture and Education at Waterfront Botanical Gardens, to speak to the members about the planting area that has been earmarked for the LADS daylilies. Mr. Burghardt indicated the bed is located in the center of the motor coach turn around near the education building. It is a teardrop shaped bed approximately 40 feet x 20 feet. The soil is currently at pH 7.8, so it will need amending at the time of planting. He indicated that plant markers will likely be large enough to include name, bloom time, introduction year, etc. Planting is to be completed in time for the grand opening in October this year. He also indicated that we might include some companion planting if space allows. Finally, he was asked about the pavers that have been purchased by supporters including LADS and he indicated that they will be used in the path to the Beargrass Creek greenway. The members expressed their appreciation for his visit with their hearty applause.**

**President Luck continued the meeting with discussion of an email which had been referred to her from Waterfront Botanical Gardens from Joanne Macey regarding the daylily garden of Mrs. Greenwell, an elderly gardener in Marion County whose health is declining and she may be moving into another living situation. She would like to see her daylilies go to new gardens. Several members indicated an interest in making the trip to her garden and possibly digging some plants. Linda will also contact Daylily Society of Louisville to see if their members have an interest.**

**There was discussion of the 2020 Region 10 convention sponsored by LADS. President Luck suggested that we might forego auctioning the Selman HRP plants that are due back this year in favor of using them as registration plants for the convention. The membership was in agreement with this plan. Ellen Carrithers suggested the use of some of the 2016 National Convention guest plants that have not come back to the club for this purpose also. These proposals will remain in consideration as general planning for the convention continues.**

**Linda offered a reminder that HRP plants will be distributed at the May 16 th meeting at the home of Linda Luck and Ray Clark. She called the meeting to a close at 7:30 p.m. and asked Becky Scarboro to introduce the evening's speaker Sarah Schaffner, Horticulture and Arboretum Manager, Cave Hill**

**Cemetery Heritage Foundation. Ms. Schaffner provided an informative and enjoyable photo tour of the flora, fauna and monuments of interest at Cave Hill.**

**Respectfully submitted,**

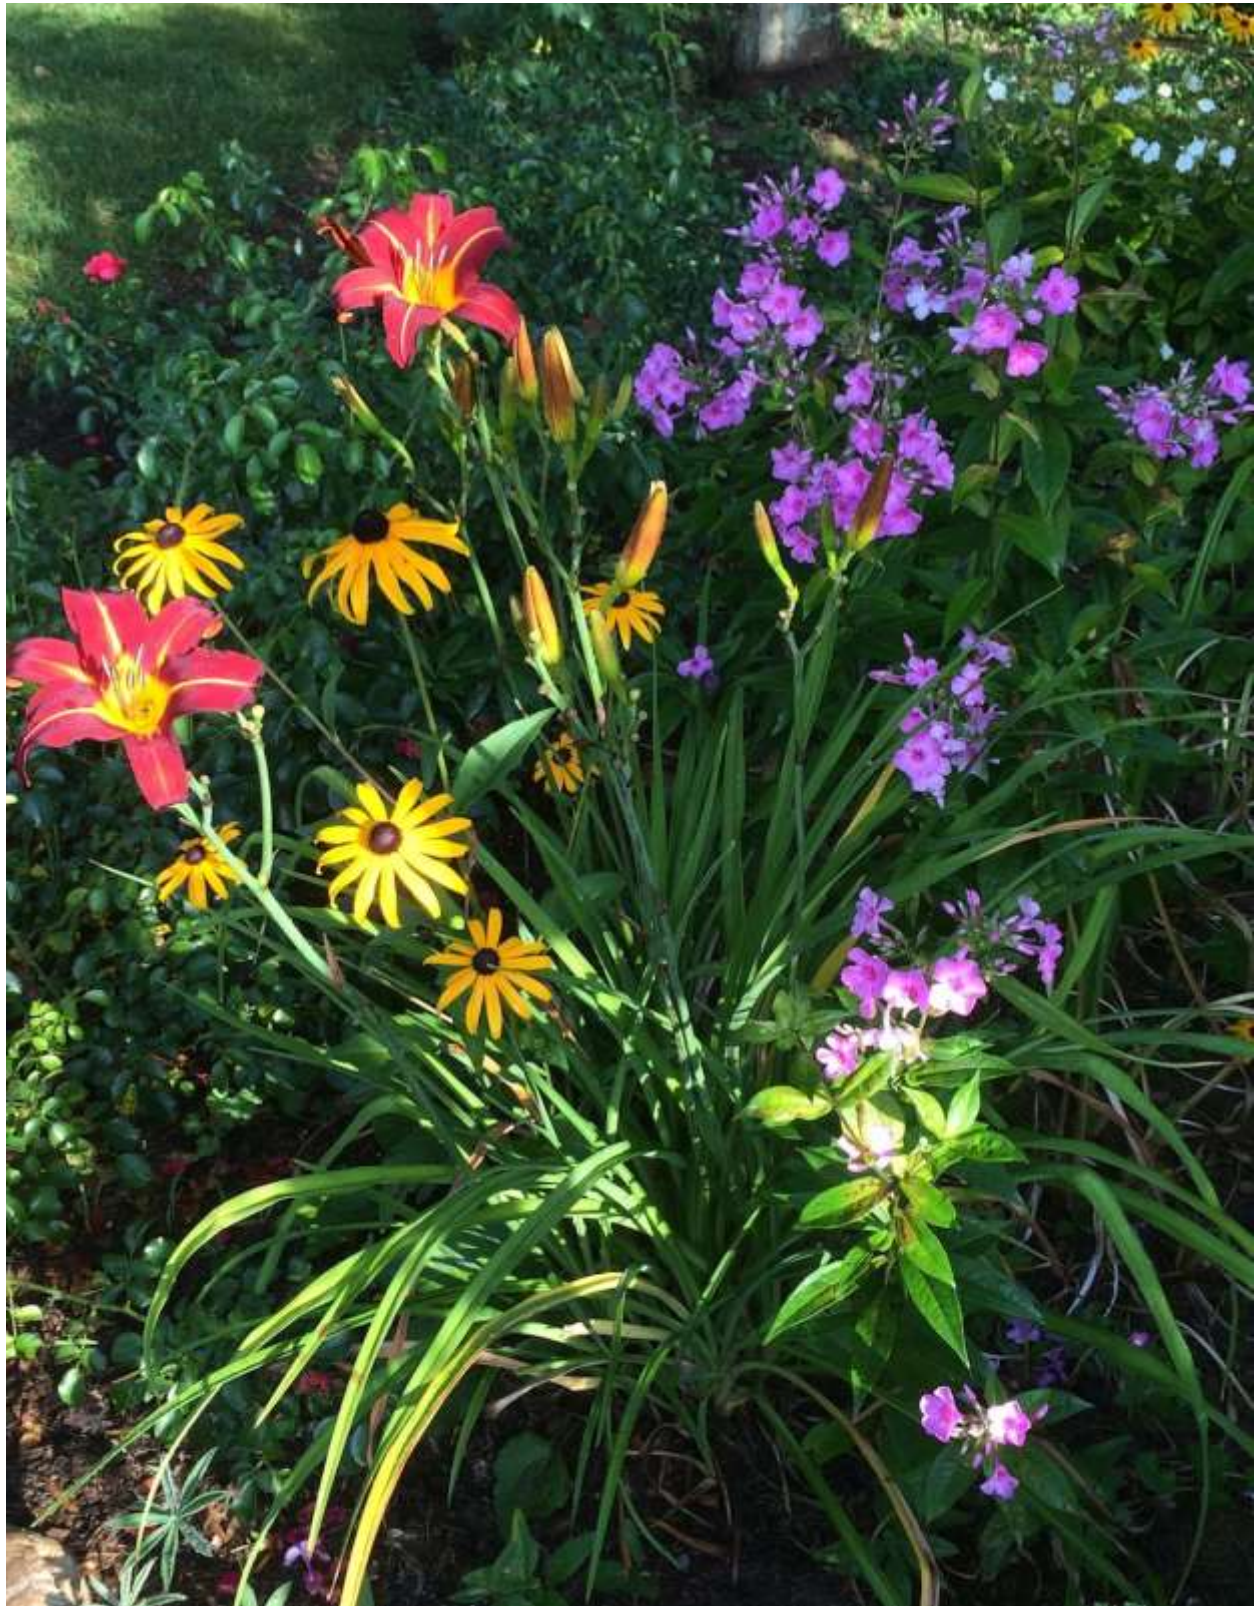

**Andrea King for**

**Marie Seaman, Secretary**
