**June's Meeting**

**VICE PRESIDENT: Becky Scarboro**

**Our June meeting will be held at Becky and Nelson's garden on June 20 th . Their beautiful garden should be at peak bloom when we are there! They are providing the meat and some sides, so members are asked to bring additional side dishes. Meetings start at 6:30 P.M.. Plan to be there early enough to wander through the garden and enjoy the daylilies!! Becky and Nelson's address is 5503 Cross Creek Drive Crestwood, Ky. 40014.**

**PRESIDENT'S MESSAGE: Linda Luck**

**June 3, 2019**

**I want to apologize to everyone for my delay in writing my comments for the Newsletter. Once**

**the weather allows me to be outside much of the time and we have so much fun and interesting experiences scheduled for weekends, it's just hard for me to sit down at the computer and compose a few paragraphs!**

**What a great last two weekends we had! The trip to the peony and hosta farms was excellent! I want to thank Mike Miller, who arranged the trip and owns the Great Seal Peony Farm, for setting up a very interesting day. His peonies were beautiful, lunch was a delight, and the hosta farm was one of the best we've seen. Many thanks as well to Andrea who made sure our bus pick up sites were appropriate and that we all had the correct times.**

**This past Saturday's trip to the nurseries in Cincinnati was also excellent! Thank you to Becky who designed our tour, and determined the stops we made. As could be seen from the purchases which were made, we clearly loved the plants which were available and the prices.**

**Beautiful plants were brought home to all of our gardens and I believe we all had a very fun day. Lunch was also very good. Special thanks to Michael who made the arrangements for our transportation!!**

**Although it seems like it has been a while, we had our HRP distribution at the May meeting. We certainly appreciate the work Cleo put into the selection and contact with hybridizers, and his overall coordination of the Program again this year. I**

**hope everyone's new plants are thriving and multiplying! Thank you to Phil as well, for his help with the plant distribution!**

**I have been remiss in mentioning that the DSL Daylily Show and Sale this year is Saturday June 22 nd . All of our members are encouraged to enter their special daylily blossoms in the Show.**

**It's held at Mid-City Mall, in the Highlands, and more information can be seen on their website, [DSL.plantfan.com](http://DSL.plantfan.com).**

**We announced at the May meeting that the names of any daylilies you planned to donate to the LADS bed at the Waterfront Botanical Gardens and had not yet submitted, needed to be provided to Marie by May 31 st in order to ensure they would be included in the bed. We should be able to provide the complete list of names at the June meeting. Our June meeting will be held at Becky and Nelson's garden on June 20 th . Their beautiful garden should be at peak bloom when we are there! They are providing the meat and some sides, so members are asked to bring additional side dishes. Plan to be there early enough to wander through the garden and enjoy the daylilies!!**

**I look forward to seeing everyone later this month!**

**Minutes for May 2019 LADS Meeting**

**LADS members gathered at the home and beautiful gardens of our president, Linda Luck and Ray Clark for our May**

**meeting. Peonies and iris were the stars of the show!**

**After a delicious meal of Black Angus hot dogs and hamburgers, grilled by Linda and a couple of her chef friends, and many wonderful sides provided by the members, the meeting was called to order at 7:20. Linda welcomed those members who haven't been with us for a while and also our latest member, Steve Losch from Pendleton, KY, who joined LADS at our Yew Dell plant sale.**

**The Minutes from our March meeting were approved with the necessary correction about the survey Andrea King did for our Peony Bus Trip. The minutes had recorded that the survey was for the Cincinnati Trip. With that correction made, Andrea moved that the minutes to accepted as published in the Newsletter and Ellen Carrithers seconded the motion. Phil Raisle**

**made a motion that the Minutes from the April meeting be approved as published and Claudia Wolff seconded the motion. Then the meeting moved on to the Treasurer's report which was e-mailed to members. Claudia Wolff made a motion to accept the report and Karen Sidebottom seconded the motion.**

**The results of our recent sales were as follows: April 26/27th at Yew Dell made \$1,154.00 and Beechmont Flower Festival on May 11th made \$940.00. Because neither sale was a "sell out", it was suggested that perhaps in the future we should price our plants at \$5.00 rather than \$10.00. Replanting and/or "plant sitting" left over plants isn't always easy and the thought is that people might purchase more plants if they were \$5.00 rather than \$10.00. Members who also belong to DSL have observed that DSL regularly sells out their plants at their various sales and perhaps**

**it is because they are priced at \$5.00 and people perceive them as a bargain!**

**President Linda Luck again reminded members of the following events scheduled for the next couple of months.**

**May 25 Peony Society trip to Chillicothe, OH**

**June 1 LADS bus trip to Cincinnati nurseries**

**June 8 Bloomin' Bardstown Garden Tour and Plant Sale (FYI)**

**June 28-30 Region X Regional Convention in Kingsport TN**

**June 28-30 Northern Mecca in Dayton OH area**

**July 6 LADS bed Daylily Plant Sale**

**July 10-13 AHS National Convention in Madison WI**

**August 3 Wallitsch Plant Sale (dig July 31)**

**The discussion moved on to the donations that have been promised for the Waterfront Botanical Gardens. Linda reminded members that we have 30 donations submitted and if members still wish to make a donation, it needs to be to Marie Seaman NO LATER THAN May 31st in order for us to confirm acceptance. The space at the Garden will include some conifers as well as other companion plants so at this time just how much space will be available for daylilies isn't certain.**

**Linda gave some reminders for the 2020 Regional Convention (Friday, June 26 and Saturday, June 27, 2020). Registration plants for the Convention will be the Bob Selman HRP plants that would have otherwise been auctioned to members in August 2019. We were asked to plan to let Linda know at the July meeting how many fans we will be bringing back after keeping**

**two for ourselves. These fans will be collected and then planted in our LADS garden this fall.**

**The Peony Society bus trip to Chillicothe, OH is on Saturday, May 25. Pick up will be at 7:00 but the location is undecided. It will probably be at the Park and TARC location just off of I-71 at exit 14 (the Crestwood exit). Those scheduled to attend will be notified of the definite location and departure time prior to the departure date. The Park and TARC is right behind the BP/Five Star gas station. For those using GPS the gas station is at 7200 Hwy 329.**

**June 1st is the bus trip to Cincinnati nurseries. Pick up will be a 8:00 at the same Park and TARC location. Exit 14 (Crestwood).**

**The evening program was the distribution of the 2019 Hybridizer Reward Program daylilies from Sandy and Mike Holmes and from Dan Bachman. Special thanks to Cleo Philon for a fine job of coordinating our HRP again for 2019!! And thanks to Phil Raisle, Ellen Carrithers and Drew Upton for their assistance in distributing the plants. Members left filled with anticipation for growing their newest additions to the garden and imagining how beautiful they will be in a couple years.**

**We thank Linda and Ray for their hospitality in hosting us for our May LADS gathering.**

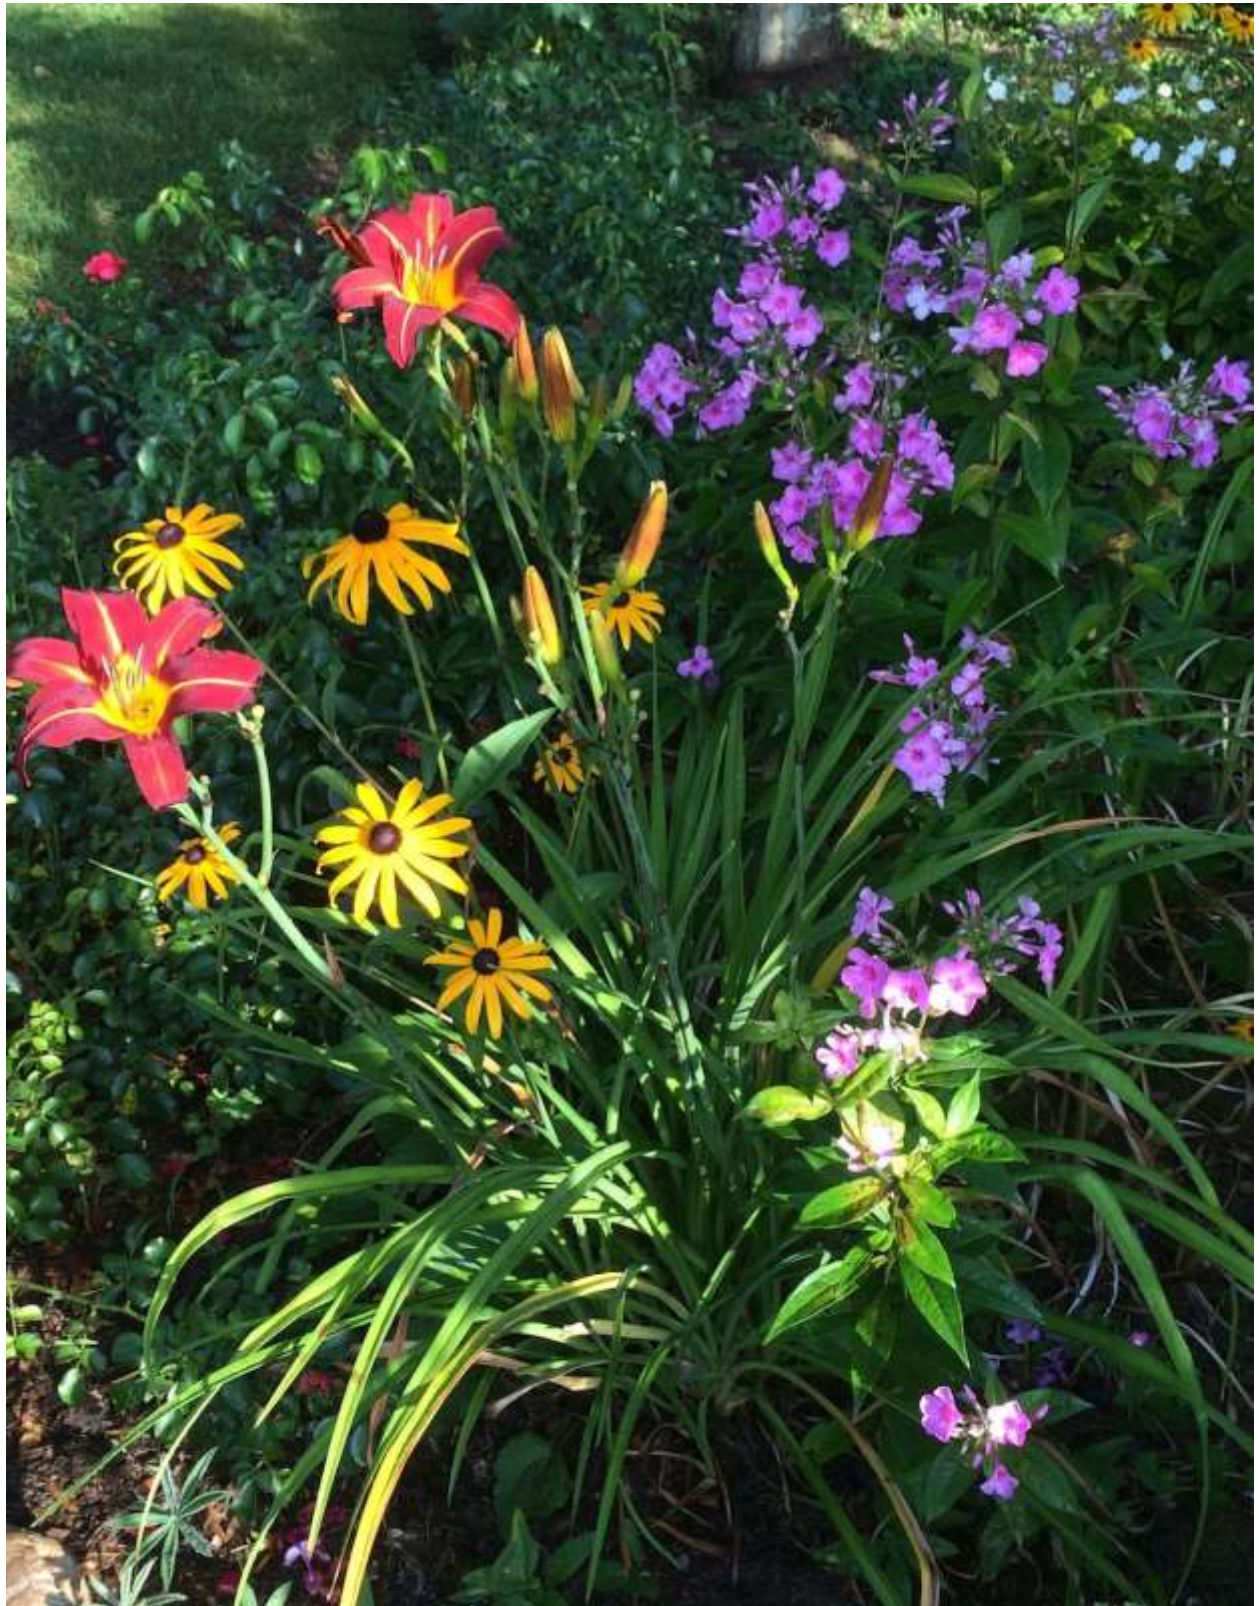

**Respectfully submitted,**
